EDUCATION

Master of Science <i>Mathematics</i> Fudan University	Aug. 2022 – Jun. 2025(Expected) Shanghai, China
Bachelor of Science <i>Mathematics and Applied Mathematics</i> Peking University	Aug. 2018 – Jul. 2022 Beijing, China
Senior High school Fujian Youxi No.1 High School	Aug. 2015 – Jun. 2018 Youxi, Fujian, China

HONORS AND AWARDS

Excellent Graduate Undergraduate	Jun. 2022 School of Mathematical Sciences, Peking University
Award for Contribution in Student Organizations Undergraduate	Dec. 2020 Peking University
1/2002 Dream Scholarship Undergraduate	Dec. 2020 School of Mathematical Sciences, Peking University
Award for Academic Excellents Undergraduate	Dec. 2019 Peking University
The Third Prize of Peking University Scholarship Undergraduate	Dec. 2019 Peking University
The Third Prize of The Chinese Mathematics Competitions Undergraduate	Nov. 2019 Chinese Mathematical Society

PROJECTS AND RESEARCH

Toeplitz Operators on S^1 and their Fredholm Index <i>Graduation Thesis</i> Advisor: Prof. Guoliang Yu (Fudan University & TAMU)	2021 – 2022 Academic Year Peking University
Applications of NCG in Complex Deformation Theory <i>Undergraduate Research</i> Advisor: Prof. Huijun Fan	2021 – 2022 Academic Year Peking University

WORK EXPERIENCE

Secretary of Youth League Branch School of Mathematical Sciences	Sep. 2018 – Jul. 2022 Peking University
Vice Minister of Practice Department School of Mathematical Sciences Student Union	Mar. 2019 – Jun. 2020 Peking University
Secretary of Youth League School School of Mathematical Sciences	Sep. 2020 – Jun. 2021 Peking University
Organizer of Four Social Practice Activities School of Mathematical Sciences	Sep. 2018 – Jun. 2021 Peking University

SKILLS

English: CET-6(521), CET-4(593)

Programming: C, MATLAB

Document Creation: Microsoft Office Suite, LaTeX, Markdown, Photoshop, Illustrator
